Dynaflex takes second Comexi flexo

2012/05/15

Contacts

Indian carrier bag and security printer Dynaflex Pvt Ltd of Vadodara, GJ has ordered a second flexo press from Comexi. The eight-colour Flexo FW will be installed in a second plant under construction. The family-owned printing company is managed by Niranjn Vora and his sons Gaurav and Sid, who emphasised the company's position as a market leader.

»«We love challenges and our speciality is security applications for mailing and storage – the more complex the better«, said Managing Director Niranjn Vora. He added that Dynaflex has continually invested in the latest technology ever since the company invested in India's first CI flexo press more than two decades ago.
